

ANNUAL AUCTION OF STAMPS AND POSTAL HISTORY, ETC.

Please note that all lots are as described by the vendors and neither the auctioneer nor the society can be held responsible for errors as such. Lot descriptions have been checked as far as the auctioneer's ability allows and any lot found to be incorrectly described may be returned for full refund.

All lots are listed with "reserves" i.e. this is the minimum bid and bids below the stated reserve will be respectfully declined or rounded up to the reserve figure.

"Buy-bids" are not allowed.

I am happy to accommodate a reasonable number of requests for scans of lots. Postal viewing is not offered. Many lots will be available to view on our website.
